

EVOLUTION MEANS KNOWLEDGE.

Do you want to start using laser technology but lack the experience? Would you like to learn more about a specific laser application? Doctor Smile, in collaboration with Master Class Academy, offers courses at various levels held by our skilled laser tutors that include the analysis of different clinical cases and hands on practical sessions. More information and the course agenda are available at masterclassacademy.it

THE IDEAL SOLUTION FOR YOUR EVERYDAY PRACTICE.

Faster treatments, faster healing time, bloodless operations, less anesthesia, less pain: welcome to the perfect dental practice. The support of D5 diode laser revolutionizes the quality of care for the wellbeing of the patient.

WIDE RANGE OF ACCESSORIES.

Doctor Smile D5 is supplied with a complete set of accessories, which make it suitable for several dental purposes: from the handpiece specific for Endodontics, Periodontics and Surgery to the ones for small and wide area whitening.

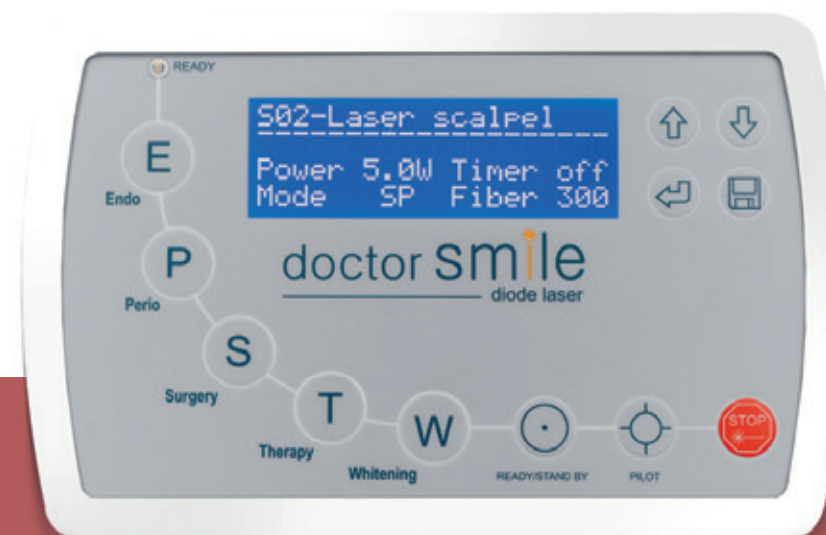

NEW HARMONY BOTH FOR DENTISTS AND PATIENTS.

Fear of dentist is a thing of the past with a D5 laser by your side. Its greatest value is safety. The patient feels comfortable with the laser and the treatment goes smoothly, without complications. D5 dental laser is fast, accurate and tireless: just like the best assistant.

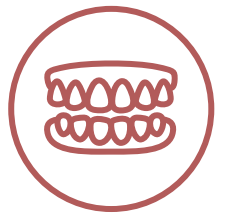

A patient on the way? Keep calm and D5 will do it all! The secret is in the technology: D5 laser is designed to manage all treatments in endodontics, periodontics, soft tissue surgery, therapy and whitening.

SIMPLY CLEVER.
