University partnerships:

Six Universities offer a coherent updated European joint study program with the objective to share, increase, collate and extend competencies in the field of oral laser applications.

Academic degree:

European Degree “ **Master of Science on Oral Laser Applications**”

Italian 2nd level Master Degree “**Laser in Odontostomatologia**”.

Duration:

Two years (November 2012-October 2014) - 60 CFU per year.

Participants: Maximum 12

Course Language: Italian (1st language), English (2nd language)

Target Profile: Dental Surgeons, Doctors in Dental Surgery, Doctors in Medicine (plus Maxillo-Facial surgery and/or Stomatology specialization) and/or any equivalent diploma as defined in the EU listing.

The Degree is valid for exemption from E.C.M. obligation for the years 2012 and 2013 according to article 6, III comma, Law n.341/90.

EDUCATIONAL PROGRAM:

The degree last two years and is divided into ten modules.

Modules 1 to 8 will take place in 13 monthly meetings, each one lasting three days, (Thursday to Saturday) starting in November 2012, ending in October 2013.

Modules 9 and 10 will take place since November 2013 till October 2014.

In October 2014 final thesis and ten documented interdisciplinary clinical cases will be presented to a commission of national and international experts.
